Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as long trip or hospital stay) kept you from telling us, we will extend the time periods.

We are liable only for losses in excess of the limits stated.

**Notification Procedure** – If you believe that your personal identification number has been LOST or STOLEN, or that someone has transferred or may transfer money from your account without permission, call us at the number shown at the beginning of this Agreement, or write us at the address given at the beginning of this Agreement.

**Business Hours** – Our business hours are Monday through Friday 8:00 AM to 4:00 PM, excluding holidays.

**Types of Transactions Available** – You may use your personal identification number with the CHIPS Online service to obtain account information related to any of your savings and loan accounts regarding current balances and account history; savings dividend rates; YTD and prior year dividends earned and interest paid on each account, and Certificate Maturity date(s). You may also make transfers to other savings or checking accounts of yours or such accounts you have authorized in writing prior to such transfer request, withdraw funds from savings and checking by check made payable to you and mailed to you at your mailing address, make loan payments from any savings or checking account to any loan account, apply for a loan or line of credit, order checks, and request stop payments on checks drawn on your account(s). Check orders and stop payment requests can only be honored during our business hours listed in “Business Hours” paragraph above.

**Transfers** – You may make transfers to your accounts or other accounts you authorize as often as you like except for those accounts with transfer limitations as disclosed on the rate and fee schedule you received when you opened the account and any amendments to that schedule. You may transfer up to the balance in your account at the time of the transfer, except as limited under other agreements. We reserve the right to refuse any transaction that would draw upon insufficient funds or lower an account below a required balance.

CHIPS Online transactions may be made at anytime, seven (7) days a week, unless the service is unavailable due to computer back-up procedures or maintenance.

**Fees and Charges** – Transactions involving your account(s) via CHIPS Online are considered the same as any other transaction in regard to service charges, overdrafts, and other fees, terms and conditions as set forth in your account agreement(s).

– You agree that we may, and you hereby authorize us to, disclose information to third parties about your account(s) or the transfers you make (1) where it is necessary for completing transfers; (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; (3) in order to comply with government agency or court orders as permitted by law; or (4) if you give us your written permission.

**Documentation and Verification of Transfer** – You will receive a monthly statement of your account activity unless no electronic transfers were made to or from your account(s) during the month, in which case you will receive a statement at least quarterly.

Upon completion of a check order or stop payment request, you will receive a confirmation number. You should record this number with your request. You will not receive any other slip or confirmation of a transaction.

**Error Resolution** – Telephone or write us at the number and address shown at the beginning of this Agreement, as soon as you can, if you think your statement is wrong, or if you need more information about a transfer listed on the statement. We must hear from you no later than sixty (60) days after we send you the first statement on which the problem or error appeared. Provide the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and a clear explanation of why you believe it is an error, or why you need more information.
- (3) The dollar amount of the suspected error.

If you tell us orally, we may require that you send your complaint or question in writing within ten (10) business days. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question.

If we decide to do this, we will recredit your account within ten (10) business days (five (5) business days for Visa Check Card purchases) for the amount you think is in error, so you will have the use of the money during the time it takes to complete our investigation. For new accounts, we may take up to twenty (20) days to credit your account for the amount you think is in error. If we ask you to put your complaint or question in writing and do not receive it within ten (10) business days, we may not recredit your account.

If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

**Cancellation** – We may cancel your CHIPS Online privileges at any time without notice or cause. You may cancel this Agreement at any time by providing us with written notice that you wish to cancel. Cancellation will be effective as of the date we receive the notice. Any cancellation or termination will not affect any of your existing liability to us.

**Liability** – If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

If, through no fault of ours, you do not have enough money in your account to make the transfer.

If the CHIPS Online System was not working properly and you knew it was not working properly when you started the transfer.

If circumstances beyond our control, (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.

**Modification** – This Agreement may be amended by us without prior notice to you when such an amendment is immediately necessary to maintain or restore the security of the system or a member’s account(s). We will notify you in writing thirty (30) days or as otherwise required by law prior to the effective date of any other change in any term or condition of this Agreement.
