

What to expect the next time you shop online.

VERIFIED
by VISA

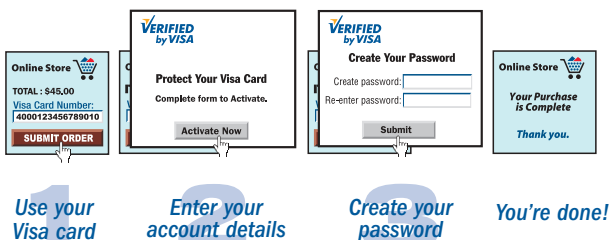

Your Visa® card is password protected with **Verified by Visa**. It's free.

Shop online, and activate Verified by Visa.

Your Visa card is now equipped with Verified by Visa — it password protects your card for **free**.

It's safe and easy to activate while you shop.

The next time you shop at participating online stores, you'll see these screens. Enter the information requested to activate your card in order to complete your transaction. It only takes a moment, and then your card will have password protection whenever you shop online.

It's now even safer to shop online.

Once you activate your card, Verified by Visa protects you at every participating online store — so only you can use your card.

Shop online with greater security at participating stores listed at www.visa.com/shopverified.
